

2018 Virginia AER Conference

Achieving Independence in All Walks of Life

February 21st – February 23rd, 2018

The focus of this year's conference is maximizing independence for all of us involved in the rehabilitation and education of individuals with visual impairments, both personally and professionally. This includes Parents, Students, Clients, Teachers of the Blind and Vision Impaired, Rehabilitation Teachers, Vocational Rehabilitation Counselors, Orientation & Mobility Instructors, Medical professionals and all.
